Dear Badminton Colleagues

## **CHANGES TO COMPETITION REGULATIONS**

The recent BWF Council meeting on Friday 3<sup>rd</sup> December agreed a large number of changes both to General Competition Regulations and to specific competition regulations including those relating to the BWF Superseries, World Championships, Sudirman Cup, World Junior Championships, and Thomas & Uber Cup. This is not yet a finished process but the Events Committee of BWF are pleased that the bulk of the changes and proposals proposed and discussed over the last year are now confirmed.

We apologise that there is a lot of detail to process in this letter but the aim is to start the process of communicating these changes so that they can be clearly understood and implemented by Member Associations. The updated Regulations will soon be on BWF's website. The regulation changes below come into effect on 1<sup>st</sup> January 2011 unless stated otherwise (for example 19.2 comes into effect 1<sup>st</sup> May 2011).

## **GENERAL COMPETITION REGULATIONS**

### **GCR 3.4.2**

If fewer than 90 days before the date of the tournament, any level 4 BWF sanctioned tournament or International tournament offering prize money less than US\$ 50,000 is cancelled, postponed or the prize money as in Regulation 3.3 is reduced, the organiser shall pay the Continental Confederation recommending sanction a fee equivalent to 20% of the total prize money

## **GCR 5.1 – Entries & Control of Entries including new Online Entry System (& corresponding changes to GCR 12.15 & L 13.8.3)**

A new process for placing players in the draw without a world ranking was agreed that requires MA's to provide their entries in National ranking order. Also the testing on the new Online Entry system has been very positive and after a period of shadow testing the first official test events, Hong Kong Open, China Open and India Grand Prix have progressed satisfactorily. Feedback from users so far has been very encouraging with many positive comments made. The aim is to continue testing until March and thereafter level 1 to 3 tournaments will be online entry only. If Continental Confederations are ready and willing and subject to some technical alterations with the system, they may start testing the system for level 4 tournaments in March with a view to only accepting online entries from May.

### **Online Entries**

To help facilitate online entries the following regulation change was agreed:

#### 5.1 Procedure for sending the entries:

5.1.1 For all tournaments requiring the BWF sanction, an entry of player / pair must be made by the Member Association of which the player / pair is a member by midnight local time of the BWF Head Quarters on the closing date in the manner specified by the BWF. **The MA submitting the entries shall specify their National ranking order.**

5.1.2 Where the entries are sent using the BWF Online Entry System, after the closing date, the BWF Online Entry System will send an Entry Confirmation to all participating Member Associations confirming the receipt of final entries. This confirmation is the conclusive evidence of receipt of entries before the deadline. The Member Associations shall contact BWF immediately if such confirmation is not received by Wednesday by noon BWF Headquarters time (+08.00 GMT) following close of entries. Any objection to the entries should be notified to BWF. Following the close of entries if no objection is received by BWF by Thursday 23.59 hours BWF Headquarters time (+08.00GMT) the entries shall be deemed to be correct. No complaints / objections shall be entertained thereafter.

5.1.3 Where the entries are not sent using the BWF Online Entry System, it is the responsibility of the organiser to acknowledge receipt of the entries of player / pair and any subsequent amendment prior to the closing date for entries. It is the responsibility of the Member Association to ensure that confirmation of acceptance is received.

In addition to the above, changes to Regulations 12.15 and 13.8.3 below were agreed to reflect the new process for creating the M and Q list where there are vacancies to fill from players with no World Ranking:

### **GCR 12.15**

'After taking entries into the main draw based on the World Ranking, as specified in Appendix 8 (refer to Part III, Section 1B, Appendix 8) and there are vacancies in the draw to be filled by entries without a World Ranking, they shall be drawn by Nationality and then the entry with the highest National ranking from that Country is taken'.

### **GCR 13.8.3**

'After taking entries into the qualifying draw based on the World Ranking, as specified in Appendix 8 (refer to Part III, Section 1B, Appendix 8) and there are vacancies in the draw to be filled by entries without a World Ranking, they shall be drawn by Nationality and then the entry with the highest National ranking from that Country is taken'.

### **New GCR 5.10 (Wild Cards)**

Following the proposal made by Sweden in December 2009 and subsequent discussion in the relevant working groups and Events Committee it was agreed to introduce following regulation to GCR 5.10 to allow level 3 and 4 tournaments the right to include a wild card in their main draw if there are no other participants from the host country:

'In level 3 and 4 tournaments if the host Association does not have an entry in the main draw in an event they may elect to include a wildcard entry in that event. Wildcards will not win World Ranking points unless they win a match (a walkover does not count as winning a match)'.

### **GCR 12 Table 1**

It was agreed to extend this table to include number of entries 3 to 8.

### **GCR 12.6.4**

A minor change was agreed to make this Regulation clearer:

'A pair may have a seeding from one to four on the basis of any World Ranking but a seeding no higher than five based on any notional ranking and/or adjusted ranking. However, if the number of players/pairs having world rankings is less than the permissible number of seeding places, the **remaining seeding** places can be based on the notional or adjusted world ranking'.

### **GCR 14.5**

Regulation 14.5 had the wrong cross reference instead of 14.2 it should be as follows:

'The withdrawals reported after the managers' meeting shall be dealt with by the Referee as and when they arise (as in Regulation **14.3**).

### **GCR 15.8 (current 15.8 to renumber as 15.9)**

'If a player or pair fails to turn up in time for a match the Referee may declare a 'no show' and award the match as a walk over to the opposing player or pair'.

### **GCR 16.3.8:**

'if a team is unable to complete all their pool ties, all the results of that team shall be deleted'.

### **GCR 16.4**

The following Order of plays are recommended in matches played in a pool system:

Group of 3	Group of 4	Group of 5	Group of 6
1 v 3	1 v 4	1 v 5	1 v 6
	2 v 3	2 v 4	2 v 4
2 v 3			3 v 5
	1 v 3	3 v 5	
1 v 2	2 v 4	1 v 4	1 v 4
			2 v 5
	3 v 4	2 v 5	3 v 6
	1 v 2	1 v 3	
			1 v 3
		4 v 5	2 v 6
		2 v 3	4 v 5
		3 v 4	1 v 5
		1 v 2	2 v 3
			4 v 6
			5 v 6
			3 v 4
			1 v 2
